Dr. Amjad Saqib has been honored with the prestigious Hilal-e-Imtiaz award

On the momentous occasion of Pakistan's 76th Independence Day, a remarkable tribute was paid to the tireless efforts aimed at uplifting the marginalized and advancing education, as the President of Pakistan honoured a distinguished individual.

Dr. Amjad Saqib, the visionary Founder and Chairman of the Akhuwat Foundation, has been awarded the prestigious Hilal-e-Imtiaz, Pakistan's second-highest civilian award. This honour will be conferred upon him on March 23, 2024. Akhuwat holds the distinction of being the world's largest interest-free microfinance program, a transformative endeavour that has brought about significant positive change.

Dr. Amjad Saqib's dedication to social welfare and his innovative approach to poverty alleviation have been instrumental in transforming countless lives. Under his leadership, the Akhuwat Foundation has not only provided financial assistance but also fostered a sense of community and mutual support among its beneficiaries.

The Hilal-e-Imtiaz award is a testament to Dr. Saqib's unwavering commitment to his mission. His efforts have enabled marginalized communities to access resources and opportunities that were previously out of reach, empowering them to build better futures for themselves and their families. The interest-free microfinance model pioneered by Akhuwat has inspired similar initiatives globally, demonstrating the power of ethical and compassionate financial practices.

As Pakistan celebrates its independence, the recognition of Dr. Amjad Saqib's contributions serves as a reminder of the enduring spirit of resilience and solidarity that defines the nation. His work exemplifies the values of service and empathy, highlighting the profound impact that visionary leadership can have on society.

The upcoming ceremony on March 23, 2024, will not only honour Dr. Saqib but also celebrate the thousands of lives touched by Akhuwat's mission. This accolade reaffirms the importance of inclusive development and the pivotal role of social entrepreneurship in driving sustainable progress.

SSESP 7 Intake Hostel Program

We are thrilled to announce the successful completion of the NJV Scholarship Program selection process for the 7th batch intake of 2024. This year, we received over 8,253 applications from students across 10 districts.

After a rigorous selection process, including interviews with shortlisted candidates who passed the test, we are excited to welcome these talented individuals into the NJV community. Their exceptional academic promise and potential have truly impressed us.

We congratulate the selected students and look forward to supporting their educational journeys. Their future is bright, and we are honored to be a part of it.

Primary Students Graduation Ceremony and Culmination Day

On May, NJV Primary School celebrated the Graduation Ceremony and Culmination Day, marking a significant milestone for our students. The event was filled with pride and joy as students, parents, and teachers gathered to honor the achievements of our graduates.

The ceremony began with an inspiring keynote speech by [insert speaker's name], followed by the presentation of diplomas and special awards. Students shared heartfelt speeches, reflecting on their experiences and expressing gratitude to their teachers and families.

A highlight of the day was the traditional cap-and-gown procession, where graduates received their diplomas amidst cheers and applause. Performances by the students in music, dance, and drama added a vibrant touch to the festivities.

Primary II Culmination Day

The NJV Primary School recently celebrated its Primary II Section Culmination Day, marking a significant milestone in our students' academic journey. The event featured inspiring speeches, lively performances, and the presentation of awards and certificates, recognizing the hard work and achievements of our young learners.

Highlights included various student performances, from dances and songs to skits, showcasing their talents and creativity. A heartfelt student speech expressed gratitude to teachers, staff, and parents, emphasizing the collective effort behind the students' success.

PBL Project: "Breathe Healthy" from Aga Khan University Examination Board)

Our 5th Grade students embarked on a Project-Based Learning (PBL) journey titled "Breathe Healthy," supported by the Aga Khan University Education Board. They built 3D models of the respiratory system, conducted breathing experiments, and delivered presentations, enhancing their understanding of lung health and clean air. This hands-on experience fostered teamwork, creativity, problem-solving, and public speaking skills. Through PBL, our students learned to collaborate, manage time effectively, and use technology innovatively, all while making learning fun and engaging.

NJV LEARNING FESTIVAL 2024

NJV School's Learning Festival was a whirlwind of creativity and talent! From February 24th to 26th, auditions for our pre-event competition set the stage for an exciting and dynamic festival. Students showcased their skills and passion across various domains, laying the groundwork for an unforgettable event.

On February 28th and 29th, our school grounds transformed into a vibrant hub of activity. Competitions in Fine Arts, Photography, Music, and Cooking captivated both participants and spectators. Each event highlighted the remarkable talents and creativity of our students, demonstrating their dedication and hard work.

Attendees were treated to a diverse array of engaging sessions, offering opportunities for learning and growth. The live program with Rizwan Jaffer for GTV added a touch of excitement and media presence, drawing attention to the festival's significance. Interactive stalls and exhibitions provided hands-on experiences, allowing visitors to explore and engage with various subjects and activities.

One of the festival's highlights was the panel discussion on Technology and Mental Health. This thought-provoking session sparked meaningful conversations, shedding light on the critical interplay between modern technology and mental well-being. The insights shared by the panelists emphasized the importance of balancing technological advancements with mental health considerations.

The NJV School Learning Festival exemplified our commitment to holistic education and community engagement. It brought together students, teachers, parents, and the wider community in a celebration of knowledge, creativity, and shared experiences. The festival left a lasting impact on all who attended, reinforcing the importance of fostering a supportive and dynamic learning environment.

As we reflect on the success of the Learning Festival, we are inspired to continue nurturing the talents and potential of our students. Thank you to everyone who participated, supported, and contributed to making this event a resounding success. Together, we are building a brighter future for our community.

Iftar Dinner Honoring Dr. Amjad Saqib's Hilal-e-Imtiaz

Amjad Saqib's journey of service and leadership reaches new heights as he is honored with the Hilal-e-Imtiaz award, recognizing his tireless efforts in transforming lives. From his noble nomination for the Nobel Prize to his previous accolade of Sitara-e-Imtiaz, every honor speaks volumes of his

profound impact on the nation. The NJV community joins hands in a special iftar, celebrating his exceptional contributions and unwavering commitment to serving humanity. His journey continues to inspire, his legacy shines brighter than ever.

Summer Camp

From culinary arts to martial arts, this year's Summer Camp was a whirlwind of creativity and excitement. Over 6 exhilarating days, campers embarked on a journey through various forms of expression, diving into culinary delights, fine arts, music, gardening, ceramics, and more. The highlight of the week was undoubtedly Carnival Day, where magic and puppet shows captivated imaginations and created lasting memories.

NJV Evening Sports Camp

This summer, young athletes in our community embarked on a transformative journey at the NJV Evening Summer Sports Camp 2024. Over the course of one exhilarating month, participants delved into the world of cricket, football, basketball, and intensive physical training. Under the expert guidance of seasoned coaches, students not only honed their athletic skills but also cultivated invaluable lessons in teamwork and sportsmanship.

NJV Evening Summer Sports Camp wasn't just about building physical strength; it was about nurturing the mind and soul, empowering our youth to reach new heights both on and off the field.

“Karachi ki Fruity Yaadein” Organized by Karachi Biennale Trust

Karachi Ki Fruity Yaadain - A Sweet Journey Down Memory Lane" Karachi Biennale's KB24 initiative kicked off at NJV Primary School with the exciting launch of the "Karachi ki Fruity Yadein" program. Students eagerly began their exploration of Karachi's endangered fruits, embarking on a journey to discover the rich heritage of fruits that once flourished across the city. Through interviews with family elders and research into historical images and information, students actively engaged in uncovering the forgotten treasures of Karachi's botanical past. This hands-on learning experience promises to foster a deeper connection to the city's cultural and natural heritage among the young participants.

Chess Competition

The recent event at NJV School brought together students from diverse backgrounds to showcase their talents and commitment to excellence. Participants demonstrated remarkable skill and determination, making the competition a true testament to their hard work and dedication. The atmosphere was charged with excitement as participants engaged in friendly yet competitive spirit, highlighting the values of sportsmanship and mutual respect.

STEAM مقا بلو

In the dynamic realm of middle section science education, students at NJV School have embarked on an inspiring journey of discovery and innovation. From unraveling the mysteries of biology to decoding the principles of physics, our young scientists have been actively engaged in hands-on learning experiences that foster creativity and critical thinking.

Lahore Grammar School (Eco Recycling and Art Contest)

In addition to their artistic achievements, the students' participation in the Eco Recycling and Art Contest highlights their dedication to sustainability education. By integrating technology with their artistic endeavors, they not only showcased their technical skills but also demonstrated a forward-thinking approach to environmental conservation. Through hands-on experiences in repurposing materials, they learned valuable lessons about resourcefulness and the importance of reducing waste.

As the Lahore Grammar School continues to support such initiatives, it reinforces its commitment to nurturing well-rounded individuals who are not only academically proficient but also socially and environmentally conscious. The students' accomplishments in the Eco Recycling and Art Contest stand as a testament to their creativity, innovation, and dedication to making a positive impact on the world around them.

Cultivating Creativity and Entrepreneurship Summer Workshops

Our Summer Workshop this year offered six exciting courses: music, watercolor, ceramics, culinary arts, graphic design, and photography. Participants explored their creativity under expert guidance, learning new skills and expressing themselves in various artistic forms.

Students formed lasting friendships, built confidence, and were left inspired by their achievements. We eagerly anticipate next year's workshop, ready for more creativity and growth.

PBL Project “Let’s make a postal stamp” from Aga Khan University Examination Board

Our 4th Grade students embarked on an exciting project-based learning journey with the Aga Khan University Education Board, themed "Let's make a postal stamp." Through PBL, they engaged in creative, hands-on learning, gaining skills in teamwork, problem-solving, time management, public speaking, and technology. They explored the history and purpose of postal stamps, visited the GPO, and used their newfound knowledge to design innovative stamps. The project fostered collaboration and creativity, culminating in unique stamp designs by all students.

NJV Higher Grade XII Students visit Government Elementary College for Girls

NJV School extends heartfelt gratitude to Durbeen for their invaluable orientation session on an enrollment process for the Government Elementary College of Education. Their guidance has smoothed the way for our students' future careers, demonstrating unwavering support in their educational journey.

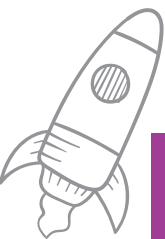

Thank you, Durbeen, for being instrumental in shaping the path to success for NJV students.

Illuminating the Future “Pakistan Connected Conference” in Islamabad

Journeying through the Connected Pakistan Conference held in Islamabad Witnessing the transformative impact of technology, innovation, and leadership, our chaperoned students from Karachi illuminated the event with their brilliance. Their participation exemplified the boundless potential within Pakistan's youth.

Musfira, Mubashira's Archery Triumph

Musfira and Mubashira have achieved a top position in the **Pakistan Sindh Rangers Interschool Hockey Tournament**. Their outstanding performance and dedication have set a high standard, demonstrating their exceptional skills and commitment to the sport.

This remarkable achievement highlights their hard work and passion for hockey, inspiring their peers and bringing pride to their school.

Ammanullah Zubair's Remarkable Debate

Ammanullah Zubair, a student of XI-PE, showcased his eloquence and insight on two prominent television platforms. At A-TV, amidst hosts Agha Sherazi and Abida Sherazi, he engaged in a thought-provoking discussion on **"Yahan Tehzeeb Bikti Hai Yahan Farman Bikte Hain"** securing the runner-up position.

Similarly, on TVOne, hosted by Faisal Qureshi, he delved into the profound topic **"Lahu Se Bujhai Hai Hum Ne Mitti Ki"** again earning the runner-up title.

Noor ul Eman Shines in PTV Ramadan Transmission

In a radiant display of talent and grace, Noor ul Eman, a student of Grade XI at NJV School, has emerged victorious in the prestigious PTV Ramadan transmission. Her captivating presence and profound wisdom have earned her the esteemed first position, marking a significant achievement in her journey.

Noor ul Eman's performance during the Ramadan transmission resonated deeply with audiences, embodying the true essence of the holy month.

Syed Gul M. Shah's Impactful Speech on "Ramadan Main Bol"

Syed Gul Shah from Grade XII Humanities took part in the speech segment of the **"Ramadan Main Bol"** Ramadan transmission on Friday, 15th March, hosted by Bol Entertainment.

With wit and humor, he tackled the topic **"Bache Ger Siyasi Hote Hain."** His engaging discourse shed light on the innocence and apolitical nature of children, offering a refreshing perspective amidst the complexities of the world.

Junaid Mugheri Wins Bronze at Sindh Games

Junaid Mugheri, a student of NJV in grade XII and a red belt in karate, participated in this year's **Sindh Games**. These games, organized by the Sports Minister and Sports Olympics, bring together competitors from various divisions.

Junaid diligently worked to qualify for the Sindh team, overcoming tough challenges from clubs like Larkana. He emerged victorious in four matches, securing a place in the Sindh Games where he clinched the bronze medal.

Grade 8 to 10 Students Win ICATS Art Competition

NJV Secondary School proudly announces its students' outstanding performance at the ICATS Art & Creative Writing Contests (ACWC). Our students secured top honors in both art and creative writing categories, showcasing their exceptional talent and dedication.

Congratulations to our inspiring young artists and writers for their well-deserved success!

Surrealism Art

Surrealism is a cultural and creative movement that mixes aspects of the subconscious, dreams, and the irrational to create a new world that differs from the reality we experience. By depicting a universe filled with magical and ludicrous features, Surrealism seeks to challenge and disrupt the traditional understanding of reality. Surrealists endeavored to reveal the subconscious mind and investigate the human psyche by expressing their deepest thoughts and aspirations, regardless of whether or not they were sensible.

NJV Students and Teachers Create Stunning Sadequain Masterpieces QUEST FOR KNOWLEDGE

Guided by their dedicated teachers, students from NJV School are delving deep into the rich tapestry of Pakistani art. Inspired by the timeless masterpieces of Sadequain, renowned for his profound cultural impact, these young artists are embarking on a transformative project. Their mission: to infuse their school environment with the essence of creativity intertwined with cultural significance.

With brushes in hand and hearts brimming with enthusiasm, NJV students are not merely painting walls but weaving narratives. Each stroke echoes the spirit of Sadequain's art, reflecting themes of heritage, identity, and the vibrant hues of Pakistani culture. This project not only beautifies their school but also serves as a testament to the power of art in education, fostering a deep appreciation for local artistic traditions.

Their journey is a celebration of creativity, community, and the enduring legacy of Pakistani artistry, leaving an indelible mark on NJV School and beyond.
