DR. AMJAD SAQIB
2021 RAMON MAGSAYSAY AWARDEE

PAKISTAN WINS
ASIAN NOBEL PRIZE

Dr Amjad Saqib Award Bestowed with the Asian Nobel Prize, 'The Ramon Magsaysay Award'

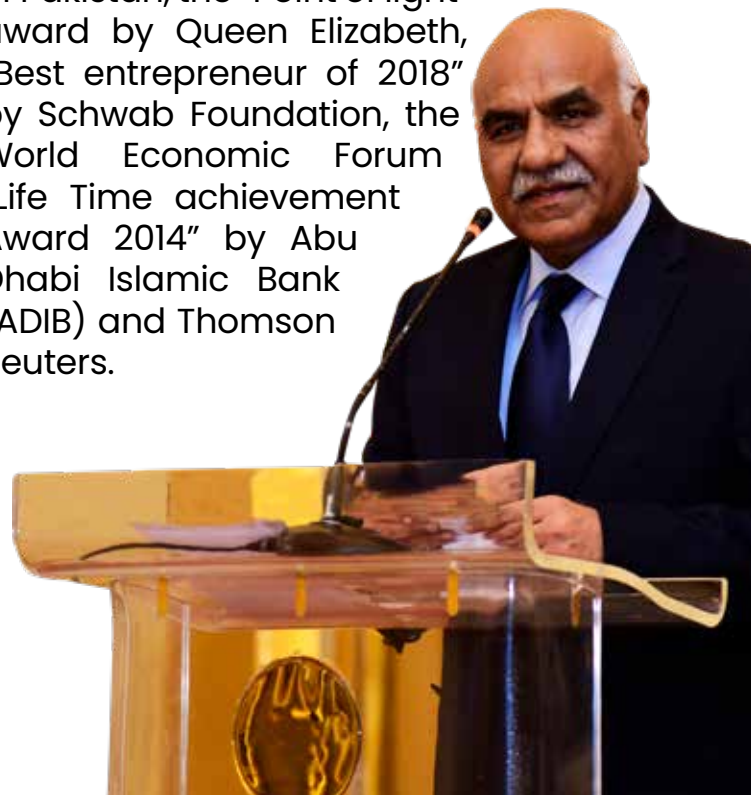

Dr. Amjad Saqib received the prestigious 'Ramon Magsaysay Award' for his services to eradicate poverty through Interest Free Micro Finance. Friends of Akhuwat from different walks of life attended the open house to meet and wish Dr. Amjad Saqib on this achievement.

The prestigious Ramon Magsaysay Award, popularly known as the 'Asian Nobel Prize' is presented to the most outstanding individuals in Asia for their selfless and extraordinary contribution to their societies. It is Asia's premier prize and the highest honour. Since its inception in 1958 Magsaysay Foundation, Philippine, confers three to four awards each year to selfless leaders out of 40 countries of the Asian continent. Previous awardees include Mother Teresa, Nobel Laureate Dr. Muhammad Yunus, Akhtar Hameed Khan, Abdul Sattar and Bilquis Edhi, Dr Adibul Hasan Rizvi, Asma Jahangir and the Citizens Foundation.

Dr. Amjad Saqib dedicated his award to the poor beneficiaries of Akhuwat and to the people of Pakistan. He said this

award is an endorsement of Akhuwat's interest free lending model and a tribute to the compassion and integrity of his nation. He also paid rich tributes to the Akhuwat Board of Directors who selflessly dedicate themselves for this great cause.

Dr. Amjad Saqib is a development professional and a former civil servant who founded Akhuwat in 2001. The organization is now the largest interest free microfinance institution in the world and works in collaboration with the state and civil society. He is also the recipient of the "Sitara-i-Imtiaz" by the President of Pakistan, the "Point of light" award by Queen Elizabeth, "Best entrepreneur of 2018" by Schwab Foundation, the World Economic Forum "Life Time achievement Award 2014" by Abu Dhabi Islamic Bank (ADIB) and Thomson Reuters.

**DR. AMJAD SAQIB HAS
ALSO BEEN NOMINATED
FOR THE NOBEL PRIZE**

Hostel Expansion

NJV is the only public school in Sindh having a hostel facility for students coming from different districts of Sindh, NJV's hostel program has grown from welcoming its 1st Batch in 2018 with approximately 100 students to welcoming its 5th Batch this year, taking the hostel strength to more than 400 hostellers.

The number of girls and boys are on the rise each year in our hostel facility. This is a testament to the quality of our education program. Initiatives have been taken to cater to the rising needs of this program. Our NJV Girls Hostel has been provided with a new block, thanks to the support from "PSO Foundation", while another addition to the Boys block has been made with the help of the Government of Sindh.

Primary Admission Test

Admission for Kindergarten 2022-2023 was announced in December 2021. We issued 425 forms. It was a smooth process with 350 children appearing for the test and interview, out of which 60 children

including 3 from the minorities group were selected based on tests interviews and merits our admission policy.

Message of Commissioner Karachi

“

Extremely happy to see the quality of work being undertaken in the school. I can sense Akhuwat has been able to transform not only the historical building but also the education, the way the students are being imparted education and training is really wonderful and I appreciate the organization for its commitment

Mr. Muhammad Iqbal Memon

”

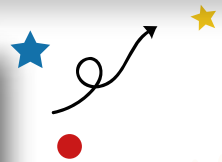

Hostel 5th Batch Admission

Akhuwat NJV stands to provide **free quality education** as a fundamental right to our youth all over the country and help them overcome social and geographical barriers that may hinder in their quest for education. With the support of the Sindh Education Foundation, entry tests were administered across Sindh, giving a chance to students who want to further their goals for getting quality education. The 120 students who made it through a rigorous testing phase were selected on the merits of test and interview. They are now enrolled in NJV School's hostel program as our 5th Batch.

Achievements in Co-Curriculum

Vijay Kumar

Student of Grade IX

Held 2nd position from amongst the 30 students from different schools & colleges which participated in the Chess tournament organized at NJV School by the Sindh Chess Federation.

Musfira & Mubashira

Students of Grade X

Brilliant sisters not only in academics but also in Hockey. They won the Bronze medals during the state level competition held at Lahore in 2022.

Summer Camp 2022

Scan for Video

NJV-CEP organized a Summer Camp for children and young adults with the aim of unlocking their creative potential. Providing a break from the planned school curriculum, it was a platform where children freely explored and developed their artistic

interests. From Paint, Pottery, Gardening to Photography, Dance, Music, Theater, Crafts, Archery and Robotics. Summer Camp 2022 offered a 10 day creative experience full of learning and fun for the community.

Summer Sports Camp 2022

Physical fitness is the main portion for development in any student. Our Sports team organized an evening sports

camp during the summer break. More than 60 students participated and trained with professional trainers.

Ramadan 2022 Futsal Tournament

NJV Floodlit Futsal Super Cup Tournament kicked off in Ramadan 2022 between 16th and 20th April and attracting 20 of the best clubs from across Karachi.

Much excitement and enthusiasm encircled the event as the participants battled to take on the trophy & the winning amount of 10 thousand rupees. It was all managed under the guidance of the sports manager ensuring all COVID SOPs were followed along with other protocols.

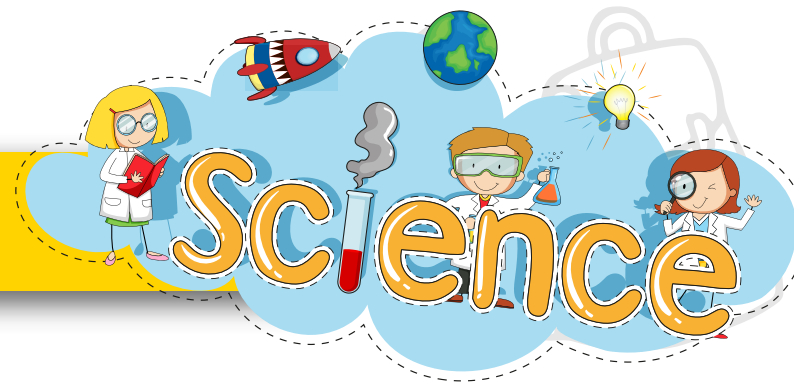

Ramadan Night Chess Competition

In collaboration with the Sindh Chess Federation, NJV organized a 3 Day "Ramadan Night Chess Competition" in which 50 students from different schools and colleges participated. Honorable Guest Sir Akbar Laghari, Secretary Education Sindh also participated & appreciated the participants.

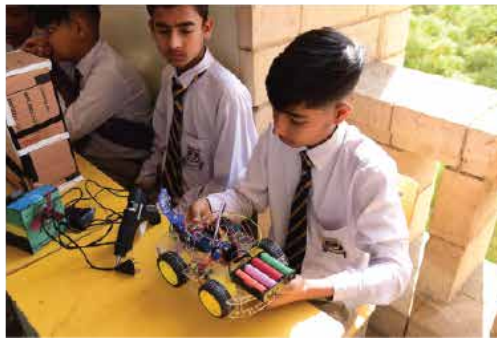

Science Fair 2022

We believe that Science Fairs nurture academic growth by providing students the opportunity to apply scientific processes by working to gain hands-on knowledge. Keeping in line with this approach, NJV

organized a wonderful science fair in which students presented their innovative ideas and research projects focusing on biotechnology, chemistry, physics and astronomy.

Campus Stars

I am a graphic designer and also a photographer. I have been doing it since the past 3 years.

I want to be an Educational Speaker, I love to participate in debate competitions. I often take part in monologues of theater as well.

I'm doing rap music since February 2021. I also write my own poetry & in corporate use it into my rap songs to improve them.

Honor Night 2022

Honorable Chief Secretary Sindh Mr. Mumtaz Ali Shah and Founder Akhuwat Dr Amjad Saqib graced the occasion with their presence and also spent time with the students and teachers.

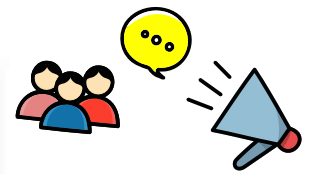

We are extremely grateful to them for their support and encouragement towards the cause of providing free state-of-the-art education!

Summer Internship Program 2022

The purpose of an internship is to develop professional skills in a hands-on environment because internships are a learning opportunity. It is important to evaluate and further the skills you have developed during the time spent with professionals.

Iftar Dinner

It was a pleasure to meet our donors, staff and students for iftar in the Holy month of Ramadan to enjoy quality time with each other. Interaction and dinner made the night worthy for everyone

present. NJV felt privileged and highly thankful to all the donors and guests for their time and presence at the venue.

Hostel Journey

Meet Kundan Kumar, our bright student who hails from the district of Tharparkar. His aspiration is to become a doctor and serve his community back home. Since the last four years, NJV (adopted by Akhuwat) is extending all its support in providing him with the means to reach his ambitions.

Kundun Kumar

Hasbi Gul Mohammad

Meet Hasbi, our exceptional student from Tharparkar

Motivated by the wishes of her family and her own dreams, Hasbi aims to become a doctor to give back to her society.

Picnic at Sunway Lagoon

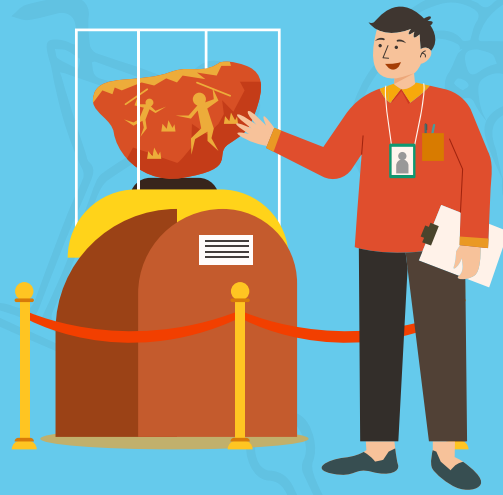

The students of class 8th were treated to a delightful picnic at the Sunway Lagoon located on the Super Highway at the outskirts of Karachi.

The children enjoyed the fun filled activities at the water park. The picnic was sponsored by the 'Syed Foundation' for which we are extremely thankful.

Field Trips

Field trips provide the students with the opportunity of learning through interaction, especially to places that they may not otherwise get to visit. They also provide Valuable hands-on educational opportunities away from the classrooms and textbooks.

E Learning

Seeking knowledge
New things has no boundaries

The doors of knowledge and learning are never closed even when the schools are shut. We are making sure to continue imparting quality education through every possible means of technology.

Thumbs up to the NJV teachers and its management for the efforts they are putting up in delivering instructions with energy and enthusiasm while adopting online teaching methods. Making sure there is no gap between students and their education.

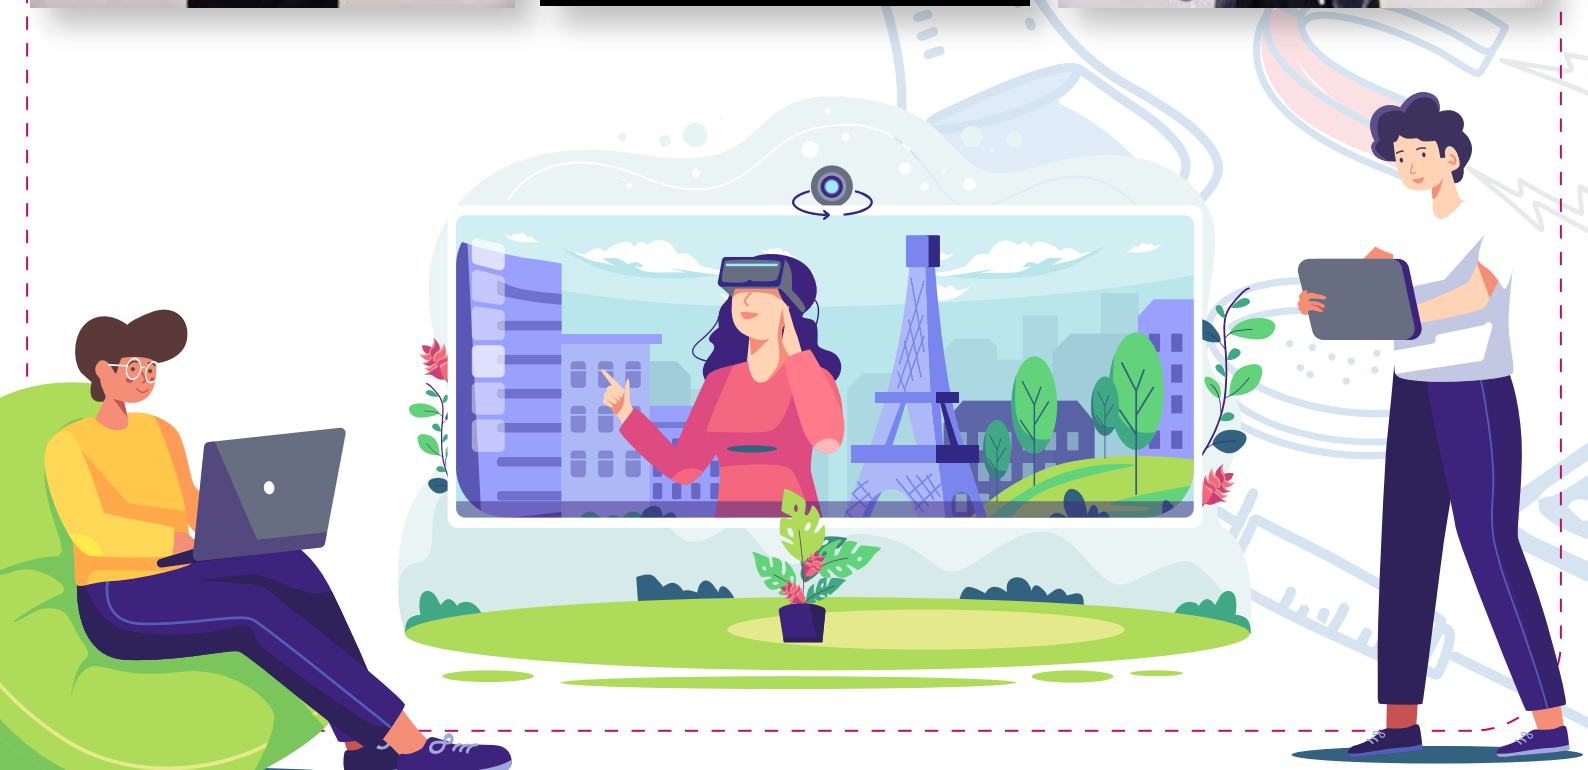

Virtual Reality

First Public School in Pakistan to Bring Education Through the Immersive Environment of Virtual & Augmented Reality

- Explore the World in 360°
- Interact with the Augmented Environment
- Learn by Stepping Into the Shoes of the Experts
- An Experience of a Lifetime
- Experience the Future

NJV school is committed to introducing technologically revolutionizing ideas and skills to our students and helping them learn better through hands-on experience. Access to the latest integration of augmented & Virtual Reality into our academics is set to bring students' experiential learning to the next level.

From exploring the beautiful galaxies in our space to tiny cells in our bodies, our VR/AR lab provides students the opportunity to learn and interact with the environment like never before.

Continuing Enrichment Program

Scan for Video

CEP provides short Skill-based workshops conducted quarterly. Learning opportunities include Painting, Ceramics, Photography and Digital art. Sports activates, Cooking, Science, Robotics and much more. Activities differ from day to day, and vary in content and variety. They are intended to promote an awareness of different career paths, as well as introducing them to the various fields and skills on freelance platforms.

CEP courses are designed especially for children between 16 to 20 years. The CEP course instructors are selected from the faculty associated with undergraduate programs of reputable institutions and industries of the country.

- CEP is uniquely suited to help achieve continuing enrichment skill-based education
- The campus environment is both traditional and modern, adding to the learning experience

- The CEP students enjoy the benefits of interacting with renowned artists and designers and take part in educational and social events that provide networking opportunities
- These include exhibitions, workshops, trips, community service activities and much more.
