

# ANNUAL SNAPSHOT REPORT

2023-2024

Supported by

AKHUWAT

Supported by

Government of Sindh

Operated by

# NJV SCHOOL MANAGEMENT BOARD

NJVSMB is a not for profit organization working in the public education development sector to provide quality education to the deserving students in Pakistan to bring positive socioeconomic impact in the country by nurturing future leaders and inculcating strong knowledge base, critical thinking skills, hands on skills in arts and emerging technologies, and strong ethics social responsibility in our students.

Our motto, "Knowledge is coupled with deed" lays the foundation of our philosophy for the development of public education sector and bring it at par with the global standards of human resource development and utilization.

Over 13,000 students in 16 different locations in Sindh and Balochistan benefit from the organization's initiatives and receive free education and relevant supplies, mentorship and guidance, and skills development opportunities.

Our organization works closely with Akhuwat, world's largest interest free microfinancing organization, working towards alleviation of poverty by providing entrepreneurship and education opportunities.

The journey of Akhuwat started in 2001 by Dr. Muhammad Amjad Saqib with the philosophy of Mawakhat preached by our beloved Prophet Muhammad (PBUH) in which he urged the Ansars (citizens of Madina) to share their belonging and support with the Muhajirs (migrants).

Through this model, Akhuwat started providing interest-free microfinance to underprivileged people for small scale businesses and help generate economic returns for themselves. Since then, Akhuwat has **disbursed PKR 233 billion** in revolving credit which has **benefited over 5.4 million** households all over Pakistan. For his philanthropic efforts, Dr. Muhammad Amjad Saqib has received multiple awards and appreciations including the honorable **Ramon Magsaysay award in 2022**.

With the same philosophy, Akhuwat provides services in the public sector education through adoption of more than 300 schools and establishment of 3 colleges which have over **47,000** students to date.

## Mission

To alleviate poverty by empowering socially and economically marginalized segments of the society through interest-free microfinance and education

## Vision

A poverty-free society built on the principles of compassion and equity

## Objective

To develop and sustain a social system based on mutual support where each individual lives a life full of respect and dignity.

# NJV SCHOOL

Established in 1855, NJV Government Higher Secondary School has a rich history of serving public sector education. Since 2015, our management adopted NJV School to enhance the school's educational system and infrastructure, aligning it with global standards. With a focus on conceptual learning, skills development, technology integration, and holistic student support, NJV now serves as a model for public education, benefiting students from marginalized communities. With continues support from the Government of Sindh and our generous donors, we aim to replicate this successful model in other public schools.

## Mission

Following the spirit of our motto, "Knowledge is coupled with deeds", NJVSMB is committed to nurturing a free-thinking and knowledgeable environment that supports human dignity and value

## Vision

To inculcate in our fellows a knowledge base that cultivates free thinkers, creative problem solver and compassionate leaders who challenge the conventional wisdom of the world

Adopted by

# EDUCATIONAL INTERVENTIONS

The NJV School primary section utilizes an Education Interventions system to enhance learning through student centric approach. These interventions include personalized learning plans, technology integration, and activity-based teaching methods that cater to the that develops critical thinking and problem solving skills in students. Regular assessments and tailored support ensure that each child progresses at their own pace, making quality education is delivered.

- **Technology Integration**
- **Social Impact**

# NJV EXCELLENCE ACADEMY

**“CARE TO LEARN, LEARN TO CARE”**

NJV hosted professional development sessions led by Faiza A. Rehman to enhance employees' skills in teaching and administration. This includes ongoing training, workshops, and mentorship to keep staff updated on educational trends and strategies. The theme “Care to learn, learn to care” highlights the importance of nurturing emotional care and academic learning, promoting a holistic educational approach that values and empowers students.

## GRADE-4 AND 5 PBL PROJECTS (FROM AGA KHAN UNIVERSITY EXAMINATION BOARD)

**“Let’s make a Postal stamp & Breathe Healthy”**

Our 4th Grade students participated in a project-based learning (PBL) initiative, supported by the Aga Khan University Education Board, focused on creating **Postal Stamps**. This engaging experience encouraged creativity, teamwork, and public speaking skills, while learning about stamp history and design. A visit to the General Post Office enhanced their understanding of postal functions. Students actively designed innovative stamps and explored the Pakistan Postal stamps website.

Similarly, 5th Grade students embarked on the **“Breathe Healthy”** project, where they created 3D models of the respiratory system, conducted breathing experiments, and presented their findings. This hands-on approach deepened their knowledge of respiratory health and fostered teamwork and public speaking skills. Both grades embraced learning in a fun and creative way through PBL.

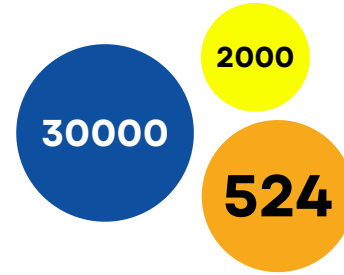

# INTERVENTIONS & SUPPORT

30,000 BOOKS CONTRIBUTED BY ROTARY INTERNATIONAL

524 CHROMEBOOKS PROVIDED BY THE SOORTY FOUNDATION

2,000 MAGAZINES FROM SHAHID SIDDIQUI (NATIONAL GEOGRAPHIC)

## ALUMNI SUPPORT

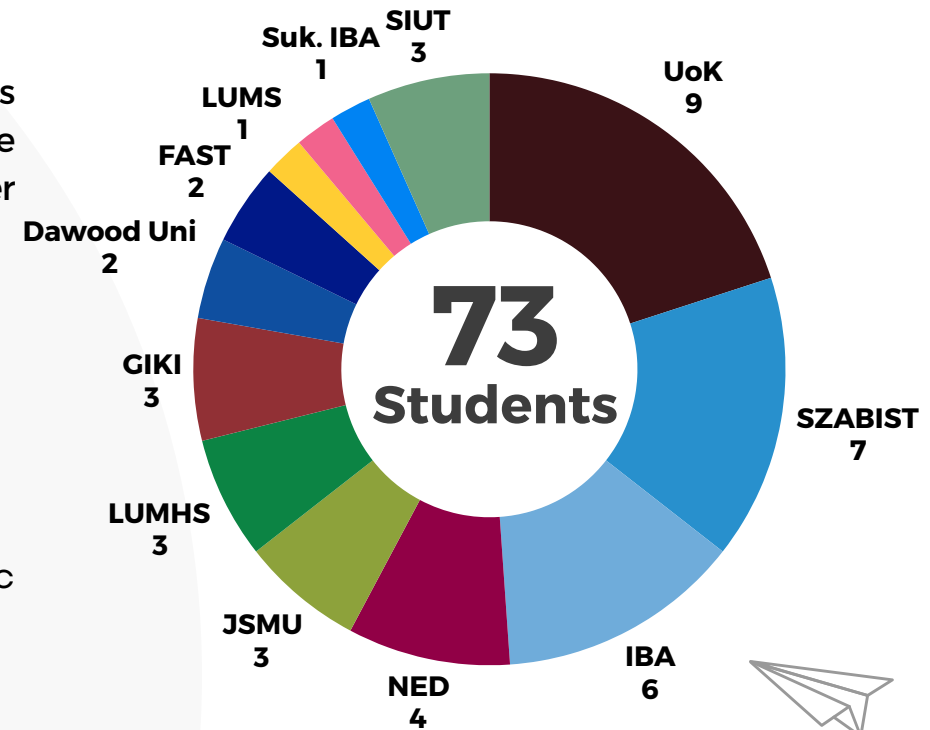

### UNIVERSITY ADMISSIONS

Our alumni have achieved admissions in some of the top universities in Pakistan evidencing the productivity of our team. We provide continuous support to these students so they can shape a better future for themselves and the society.

### NJV STUDENTS EARN SCHOLARSHIPS AT AUW

7 female students from NJV School received scholarships for a four-year Bachelor's program at the **Asian University for Women in Bangladesh**. This achievement provides opportunities for academic and personal growth, empowering them to pursue higher education in a diverse environment. Their dedication sets an inspiring example for fellow students in our schools.

# EDUCATIONAL IMPLEMENTATION

NJVSMB aims to spread its holistic education system across different schools in Pakistan. With the collaboration of Government, NJVSMB has acquired 11 schools across Sindh to uplift their overall system. With the support of community and generous donors, NJVSMB brings in modern methodologies, skillsets, mentorship programs, technology interventions and support to students for their overall growth and development to become positive contributors of the society.

**6 GOVT. SCHOOLS IN MEHR (DADU)**

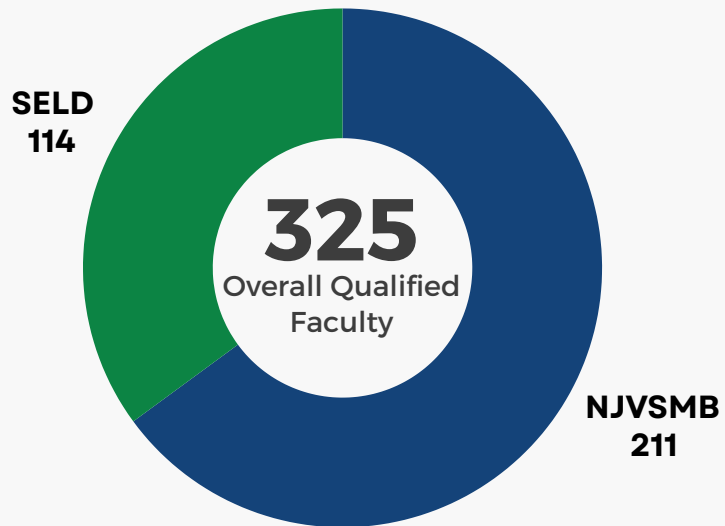

**GOVT. SECONDARY SCHOOL CHANESAR**

**SOBHEY JO TARR (THAR) SCHOOL**

# QUALIFIED FACULTY AND AFTER SCHOOL SUPPORT

To address the shortage of quality teachers in the public sector, NJV School hired qualified professionals to improve education quality. Teachers provide personalized attention to ensure students grasp concepts and can apply their knowledge. After-school support programs are available for students needing additional help, offering individual guidance from experienced educators.

## BREAKFAST PROGRAM

An in-house survey revealed that **60%-70%** of students attend school without proper breakfast, contributing to malnutrition and underperformance. In response, NJVSMB initiated a program to provide nutritious breakfast, fruits during recess, and afternoon lunch to students.

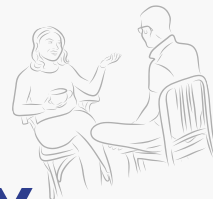

## COUNSELING FOR STUDENTS AND PARENTS

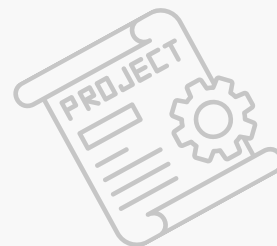

Focusing on the mental wellbeing of the students along with highlighting the learning disabilities and assisting the students in their education according to their learning style, the Student Affairs department at NJV School keeps a continuous process of training, identification, prevention and therapy for students and parents to provide a safe space for students' wellbeing.

Special learning programs are introduced for students with learning disabilities in consultation with our qualified team of psychologists and educationists.

## STATION LEARNING AND PROJECT BASED PEDAGOGY

In consultation with TRC and employed educationists, NJV School started training teachers and planning to take then teaching methodologies to the next level. NJV School will have 11:1 student to teacher ratio in the Primary section from 2023-24 and introduce project based learning methodologies in the middle and secondary sections.

# CONTINUING ENRICHMENT PROGRAM (CEP)

The CEP Programs operate year-round, providing students with a wide range of skill development courses, including Fine Arts, Ceramics, Photography, Music, Graphic Design, Theatre, Product Design, Chess, Archery, Cooking, Programming, and Robotics. At the conclusion of each course, students present their final projects to a panel of jury members, comprised of industry professionals. The jury selects the top-performing students in each course, who are then awarded appreciation certificates and given the opportunity to participate in industry visits.

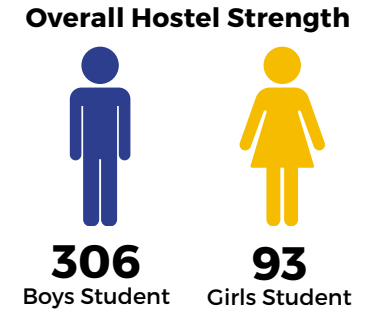

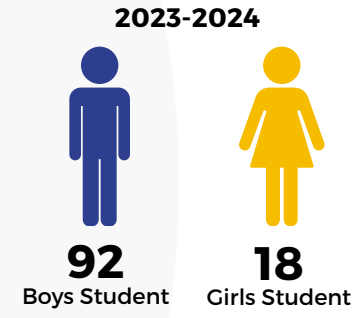

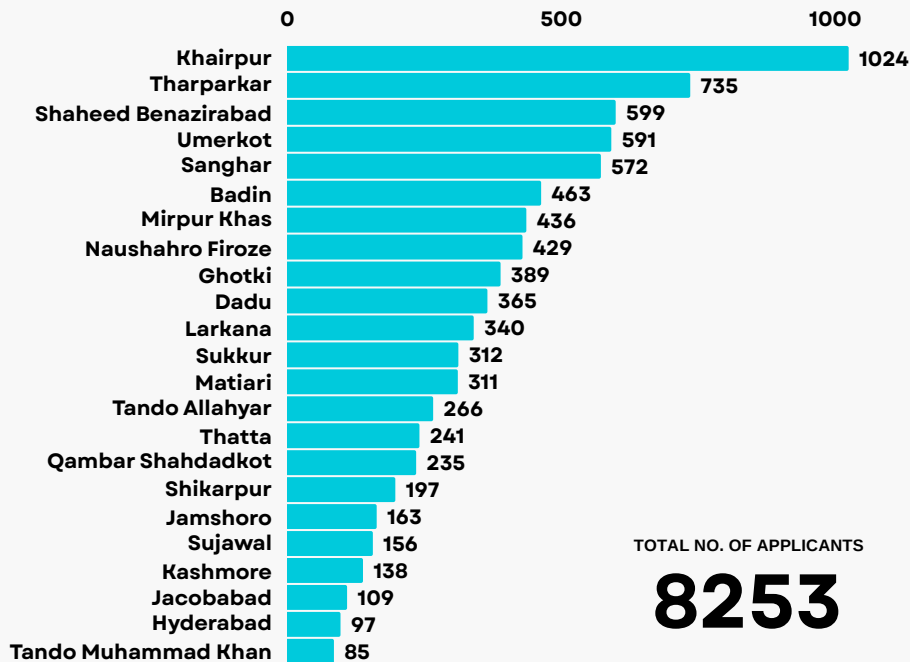

# HOSTEL PROGRAM

Since 2018, NJV School Management has partnered with the Sindh Education Foundation (SEF) to provide a hostel program for 100 students annually from Sindh (excluding Karachi), offering 4-year scholarships from Grade 8 to 12, along with various support services. The program's success is highlighted by the increase in applications, with 6,000 in 2023 and over 8,253 in 2024. This year, 110 deserving students were selected through a comprehensive interview process that assesses family, academic, psychological, and medical backgrounds. The selection was conducted by over 250 volunteers from NJV School, ensuring merit and quality.

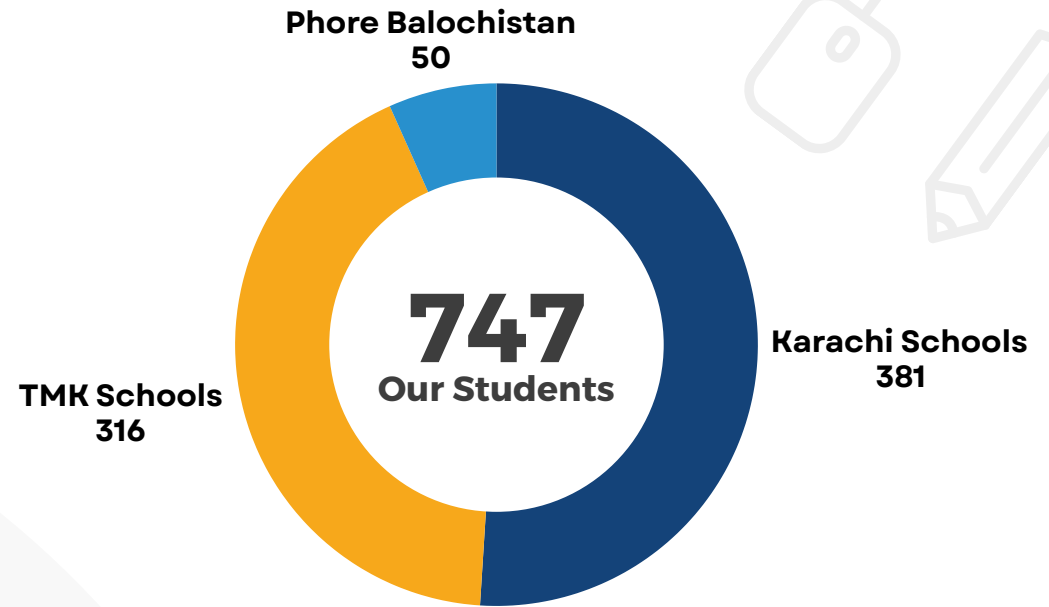

**APPLICANTS FROM EACH DISTRICT**

# E-LEARNING PROJECT

The NJVSMB is dedicated to providing quality education in Pakistan by creating a centralized platform for digital resources. Their e-Learning Department has developed a Learning Management System (LMS) for teachers, enhancing classroom engagement through simulations, gamified learning, and interactive workbooks. Since January 2022, they have connected six schools in rural areas to their e-Learning project, serving nearly 700+ students daily with live online classes from qualified teachers in Karachi. Positive results include improved attendance, comprehension in English, math skills, and scientific understanding. NJV aims to partner with the Government of Sindh to expand to 50 schools, reaching around 700+ students per shift, providing quality education to underserved areas and fostering positive societal contributions.

**TANDO MUHAMMAD KHAN - SINDH**

**PHORE (BALOCHISTAN)**

# ASP FOR SCIENCE AND TECH PROJECTS

## ADVANCED MACHINING & PROTOTYPING

Students will learn to operate CNC machines, understand machining tools, and apply precision measurement. The curriculum emphasizes hands-on projects, where students design and fabricate prototypes, enhancing their problem-solving skills and fostering creativity in engineering design.

## INTRODUCTION TO HYDROPONICS

Students explore the innovative world of hydroponics, a method of growing plants without soil. Participants will learn about different hydroponic systems, nutrient management, and plant biology. The hands-on experience will include setting up and maintaining hydroponic systems.

## INTRODUCTION TO EV TECHNOLOGY

Focusing on the burgeoning field of electric vehicles (EVs), this course covers the fundamentals of EV technology, including battery systems, electric drivetrains, and charging infrastructure. Students will engage in discussions about the environmental impacts of EVs and explore the latest innovations in sustainable transportation.

# HIGH TECH VOCATIONAL TRAININGS

## CYBER SECURITY

NJV School has partnered with CORVIT to offer high-tech vocational training courses in cybersecurity to students of NJV School and the surrounding community. This initiative aims to equip students with essential skills in cybersecurity, empowering them to pursue careers in this growing field and contribute to the digital security landscape. Through this collaboration, students gain practical knowledge and hands-on experience, preparing them for opportunities in cybersecurity and other related professions.

## DIGITAL AGHAZ

"Digital Aghaz" entrepreneurial course right here on campus, this immersive journey into the realm of website creation, where students delve into planning, creation, and essential web design skills. Excitingly, we've teamed up with IDM Pakistan to offer valuable insights into the world of digital marketing.

## SOCIAL MEDIA DESIGNS

This hands-on session introduced students to the exciting world of graphic design, blending creativity with technology. Participants explored essential graphic design concepts, tools, and techniques, gaining a foundational understanding of this high-demand field. The session equipped students with practical skills directly applicable to real-world scenarios, preparing them for further education or careers in digital media and design.

# STUDENTS' ACHIEVEMENTS

Some of the distinctive achievements of NJV School's students are as follows:

## NJV STUDENTS WINS ART COMPETITION

NJV Secondary School proudly announces its students' outstanding performance at the ICATS Art & Creative Writing Contests (ACWC). Our students secured top honors in both art and creative writing categories, showcasing their exceptional talent and dedication.

## SYED GUL IMPACTFUL SPEECH ON "RAMADAN MAIN BOL"

Syed Gul Shah from Grade XII Humanities took part in the speech segment of the "Ramadan Main Bol" Ramadan transmission on Friday, 15th March, hosted by Bol Entertainment.

## NOOR UL EMAN SHINES IN PTV

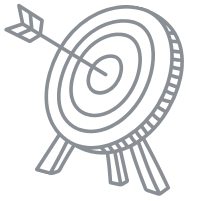

Noor ul Eman, a student of Grade XI at NJV School, has emerged victorious in the prestigious PTV Ramadan transmission. Her captivating presence and profound wisdom have earned her the esteemed first position, marking a significant achievement in her journey.

## AMMANULLAH ZUBAIR'S REMARKABLE DEBATE

Noor ul Eman, a student of Grade XI at NJV School, has emerged victorious in the prestigious PTV Ramadan transmission. Her captivating presence and profound wisdom have earned her the esteemed first position, marking a significant achievement in her journey.

# SPORTING ACTIVITIES AT NJV SCHOOL

NJV School provides its students the opportunities to develop in physical sports as well as mind sports. Students are provided focused trainings for Cricket, Football, Basketball, Table Tennis, Athletics, Archery, and Chess.

## MUSFIRA & MUBASHIRA ARCHERY TRIUMPH

Musfira and Mubashira have achieved a top position in the Pakistan Sindh Rangers Interschool Hockey Tournament. Their outstanding performance and dedication have set a high standard, demonstrating their exceptional skills and commitment to the sport

## JUNAID MUGHERI WINS BRONZE MEDAL

Junaid Mugheri, a student of NJV in grade XII and a red belt in karate, participated in this year's Sindh Games. These games, organized by the Sports Minister and Sports Olympics, bring together competitors from various divisions.

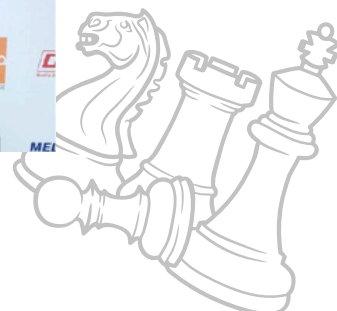

## NJV BASKETBALL TEAM

Cheers to the NJV Basketball Team for their outstanding achievement! Securing the 3rd Position in the inter-school U-17 Basketball Tournament at City School Darakshan Campus, our players showcased skill, teamwork, and determination. A proud moment for NJV and a testament to the team's dedication. Keep shining on the court

## U-15 AFS CHESS TOURNAMENT

The NJV Team made their mark at the U-15 AFS Chess Tournament! With strategic moves and keen intellect, our chess enthusiasts participated in the tournament, showcasing their prowess on the chessboard. A commendable effort from the NJV team, exemplifying sportsmanship and strategic brilliance.

# EVENTS AND PROGRAMS

**Summer Camp 2024**

# NJV-AKHUWAT CLOTHES BANK INITIATIVE

Students of NJV volunteer with Akhuwat Clothes Bank which collects, sorts and cleans donated clothing and gifts them to low-income families. These gifts are disbursed throughout the year while special campaigns are carried out during peak winter season and natural disasters. Through the Clothes Bank, Akhuwat seeks to promote simple, compassionate, and eco- friendly lifestyles by fostering a culture of sharing and recycling. Established in 2013, the Clothes Bank also employs and trains trans people to run its various programs. Thousands of clothing items, home textiles, furniture, toys and books have been distributed throughout every corner of Pakistan to poor families through this initiative

# ACKNOWLEDGMENT

We thank the Government of Sindh and all our donors and supporters who help us build and grow our educational system.

## HONORABLE SUPPORTERS

# Educate a Child, Nurture a Dream!
